Marrakesh bed,
Maison Godin
Ego, Atlanta

As the West's gateway to the mysterious East, Morocco has held sway with design minds since Yves St. Laurent was photographed lounging in a djellabah and glasses in Marrakesh. The newest twist on this cross-cultural fascination is a Western and minimal take on Moorish style that avoids the busyness of "ethnic" interiors by modernizing the classic motifs and stripping them down to their pure and graphic essence.

Scented candle, body
milk and eau de
toilette, Oudh

Embroidered leather
Moroccan pouf, The Grotto
